# Why Pearson Custom?

Our research in schools has helped us to develop excellent content built specifically for the NSW classroom. But not every classroom is the same. Teachers often love our content, but wish they could combine a book, reduce its size, exclude a chapter or unit, or include more.

## Pearson Custom can:

- Manage one resource with all the content in one place
- Save you time in planning and helps you keep lessons focused
- Allow you to access the units you will be teaching based on your requirements with no excess content
- Can save you money when buying one book instead of two
- Assist in integrating History and Geography concepts

# What's available?

## Combine any of the following resources into one volume:

- **Pearson English** Includes any chapter from Pearson English 7–10 and exclusive chapters on: NAPLAN, 'Researching, revising and editing', 'Asia-Pacific voices' and Macbeth.
- **Pearson History NSW & Pearson Geography** can be combined into one customized resource. Pick and choose from student books, activity books or teacher companions for Geography Years 7–10 & History NSW 7–10 student books, activity books or teacher companions.
- **Pearson Science NSW** Includes any chapter from Pearson Science NSW 7–10 and exclusive chapters on: Energy and Earth Systems, Psychology and Living in Space.
- **Special offer on Pearson eBook 3.0!**

Purchase **Pearson eBook 3.0** in full, for only \$5 extra per year level, with your Custom student book\*.
